

Sturgis Parents Association

I would like to join the Sturgis Parents Association at the following level:

- Captain Level (\$250) – The Captain membership includes voting rights, invitations to all SPA events, and two tickets to the annual SPA Auction held in April
- First Officer Level (\$100) – The First Officer membership includes voting rights and invitations to SPA events. This is ideal for those parents who are not able to volunteer their time or talent but would like to support the parent association
- Crew Member Level (\$25) – The Crew membership includes voting rights during monthly SPA meetings, invitations to SPA events, and volunteer opportunities throughout the year
